

## UNI GEAR LS 75W90

Synthetic based transmission oil for all differentials, especially for those equipped with a "limited slip" mechanism. Owing to the use of synthetic components, this oil offers an exceptionally high stability of the viscosity and a very high fluidity at low temperature. It also has a large resistance against aging and deposits.

UNI GEAR LS 75W90 agrees to the following specifications:

- API GL 5
- MIL MIL-L-2105 C and D

### APPLICATIONS :

This oil is mainly used in hypoid rear axles with limited-slip action, where this viscosity grade is recommended, as in 4X4 vehicles.

### TYPICAL CHARACTERISTICS :

Test	Method	Unit	Average result
SAE-class			75W90
Density at 15°C	D 4052	kg / m <sup>3</sup>	889
Viscosity at 40°C	D 445	cSt	112
Viscosity at 100°C	D 445	cSt	15,4
Viscosity at -40°C	D 2983	cP	130.000
Viscosity index	D 2270		145
Pour point	D 6892	°C	-45
